MEMORIAL GUIDELINES

As an expression of love and sympathy, GACAA should provide a suitable memorial at the death of a GACAA member, or an active member's spouse, child or parent. Also a memorial should be made in the event of the death of a Life Member.

The following guidelines were established by the Memorial Committee during the 1993 Annual Meeting.

- GACAA should send a floral arrangement unless requested otherwise.
- A \$50.00 limit per memorial has been established.
- If districts provide memorials then that memorial should be considered in addition to, not in place of, the appropriate state memorial.

Procedure:

- At the death of a GACAA member, an active member's spouse, child or parent, or the
 death of a Life Member, co-workers are encouraged to notify the Senior Director in the
 region of the deceased. The Senior Director working with the Junior Director should
 make arrangements for an appropriate floral arrangement (or other requested memorial)
 to be sent to the funeral services.
- The Senior Director should notify the District Extension Office or Extension Department to be sure they have been notified.
- The Senior Director should notify as many GACAA members as possible and give the details of the funeral services.
- It is suggested that E-Mail be used to notify as many GACAA members as possible in the shortest period of time.

GACAA Awards/Scholarship Attendance Policy

Approved on February 3, 2009

All recipients of GACAA Awards and /or Scholarships must register for the GACAA Annual Meeting and Professional Improvement Conference and attend the designated session to receive their award or scholarship. Decisions on requests for non-attendance and excused absences will be made on a case by case basis by consultation among the respective State GACAA Committee Chair and the GACAA President. Excuses may be granted for extreme personal or family illness; circumstances which would seriously jeopardize their job; or similar extreme situations. Awards and scholarships are inclusive of cash, plaques, and certificates. In the event an award or scholarship winner does not receive an excused absence from attending the GACAA AM/PIC, the winner's award or scholarship will not be presented and will be given to the GACAA President to hold for board action at the next scheduled GACAA Board Meeting.

This policy was approved by the GACAA Officers and Directors at the February 3, 2009

Board Meeting held in Macon, Georgia. The GACAA Board also encourages all GACAA Committee Chairs to include on all GACAA Award and Scholarship applications a statement that informs the applicant that they must register for and attend the GACAA Annual Meeting and Professional Improvement Conference to receive their award or scholarship unless excused according to the above policy.

Any candidate for these offices shall notify the Policy Committee Chair (Past President) and provide the name of the person to place the candidate in nomination and the person to second the nomination.

During the election the Policy Committee Chair will present a report listing those who have notified the Chair of their candidacy.

The President will also call for other nomination from the floor (Nominations from the floor must be prepared to follow the same procedure as other candidates).

The President will call on each candidate for a nomination, second and candidate response. The time

limits allowed will be 3 minutes to make a nomination, 2 minutes for a second and each candidate will have 1 minute to respond.

If there are 2 or more candidates seeking an office then that election will be determined by secret ballot.
